**SUPPLIED NEW OR RETRO-FITTED**

## Stronguard™ Retro Crash System - the ultimate security palisade - NOW PAS68 Accredited.

The latest development in super strong, durable, ultimate security palisade has now got even better!

**Hardstaff Barriers Stronguard™ RCS 25 & RCS 75 is the first palisade fence system to gain the PAS68 accreditation and can be supplied new or retro-fitted on site.**

Designed for the security of literally 'golden' assets which form part of the critical national infrastructure, Stronguard™ RCS provides unrivalled attack delay against saws, cutting, hammers, jacks, levers, power tools and hand tools.

The hostile vehicle mitigation perimeter is available at two levels (see over) and offers some of the highest levels of security for even

the most sensitive sites and are recommended for the airports, military, rail, utility, petrochemical plants, and all sites that demand maximum security.

Installed by Hardstaff Barriers approved installers either as a retrofit or manufactured as new, to give unrivalled start-to-finish service.

Stronguard™ RCS 25 PAS 68: 2010: 2500 (N1G)/48/90 0.0    Stronguard™ RCS 75 PAS68: 2010: 7500 (N2)/48/90 0.3

**Stronguard™ - Approved by CPNI for UK Government use.**
